ABOUT ME

I am an highly motivated student. I am very open to new things and to critics. I am determined to always do my best and when I have task to do I always try to do it good, even if I do not like to do it. My motto is "No pain No gain", because I believe that nothing is given without hard work and everything we own is for the dedication and hardwork of someone.

EDUCATION AND TRAINING

12/09/2022 - CURRENT Mortise(PD), Italy

High school diploma ITI Francesco Severi Technical high school

I currently attend the technical institute F. Severi, where I am learning how to program (Java, HTML, CSS, JS and Python), how to design an electrical circuit and its wiring and how data transmission takes place in a network.

At the end of my school years, I will be able to:

- Identify and choose the most suitable electronic device, respecting its functionalities and characteristics;
- Use critical sense to solve a problem or a task, developing an appropriate solution.

PROJECTS

● Informatica per gioco

We had to develop a game from scratch. That improved my problem solving skills, my time management skills and my teamwork skills

CERTIFICATIONS

ITI Severi Padova

● Security Certificate

I received it after passing the text about security in the job, where I focused on the work environment and the protocols to use.

Mode of learning: Hybrid

VOLUNTEERING

24/08/2023 – 06/09/2025 Selvazzano(PD)

● Summer Camp

In the last 3 years I went in a summer camp to educate and entertain kids. I liked a lot to do that and be in contact with kids. I had to do a lot of things like looking after kids, being responsible of the music, and deal with the kids' parents to solve every question or problem.

HOBBIES AND INTERESTS

● My hobbies in the free time

In my free time I like a lot to research and learn more about computers' hardware and how those work, I also like to play video games or maybe exercise.

I hereby authorize the processing of personal data in my CV in accordance with EU Regulation 2016/679 (GDPR)" o "I consent to the processing of my personal data for recruitment purposes.
